

EXHIBIT HALL OPPORTUNITIES

Showcase your product, organization, or services

Our attendees are taking a leading role in restoring riparian ecosystems and are an important audience for your organization’s message. Your presence as an exhibitor increases your visibility at the 2024 Conference and provides the opportunity to interact with roughly 200 restoration-minded professionals from across the West; from land managers and researchers, to landowners, non-profits, agencies and private individuals.

Exhibit Hall Perks

- One conference registration is included per exhibit table—Includes access to all food, presentations, and networking events
- One 5’x30” table with a tablecloth and two chairs
- Complimentary list of attendees (contact information excluded)
- Recognition on RiversEdgeWest.org and via the conference app.
- Promotion in REW social media postings before, during, and after the conference
